Blachford Acoustics Group Receives Spartan Motors Diamond Award

During Spartan Motors' 15th Annual Supplier Conference last month, Blachford Acoustics Group was awarded the 2016 Diamond Outstanding Supplier Performance Award. The award is given to key suppliers and supply chain partners who are an integral part of Spartan's continuous improvement and focus on supplier quality.

Spartan is a global leader in specialty chassis and vehicle design, manufacturing and assembly. They have over 1000 suppliers who are evaluated each year and Blachford Acoustics Group was 1 of only 12 suppliers to receive the Diamond Award. Blachford received this award due to our commitment to quality, impeccable customer service and consistent delivery records.

About Blachford Acoustics Group

Blachford Acoustics Group is the premier designer and supplier of acoustical materials, molded headliners and floor mats for heavy truck, off-highway, marine and other industrial OEM's. Backed by a state-of-the-art acoustics laboratory and vertically integrated manufacturing plants in West Chicago, Illinois, Kings Mountain NC, Cambridge, Ontario and Chesterfield, England, we offer custom designed solutions. Blachford Acoustics Group is the technology leader in targeted markets having served customers in North America for over 50 years. With the addition of the Chesterfield location, we can now provide common, coordinated solutions to North America and Europe. We excel at helping customers make their vehicles attractive, cool and quiet. Blachford places high value on ensuring every employee has a voice and we stress that each can make a difference in our business. Our Environmental Management System is ISO 14001 Registered and we are committed to being a responsible corporate citizen.
