Blachford Inc. Receives PACCAR's 2016 10 PPM Quality Award

Blachford Inc. once again has been recognized by one of our customers for our outstanding commitment to quality. Blachford recently received the 10 PPM Supplier Quality award from PACCAR. The award is presented to PACCAR suppliers that complete a quality score of 10 PPM (parts per million) or lower. The award also takes into consideration final customer satisfaction.

PACCAR is among the world's largest manufacturers of medium and heavy duty trucks. The company is made up of subsidiaries Peterbilt, Kenworth and DAF, brands known worldwide for their unparalleled quality.

Like other quality awards that Blachford has received, this award speaks volumes on Blachford's overall commitment to providing quality products to our customers.

The entire list of the 2016 "10 PPM" suppliers is listed on PACCAR's website, www.paccar.com.

About Blachford Inc.

Blachford Inc. is a business unit of the Blachford Acoustics Group, a leading manufacturer of acoustical and thermal products.
