

Blachford Inc. Awarded 2017 Masters of Quality Award from Daimler Trucks NA

DAIMLER

On May 15th 2018, Blachford Incorporated was presented the 2017 Daimler Trucks North America (DTNA) Masters of Quality Award. This marks the 3rd time in the last 5 years that we have received this award.

The Masters of Quality Award is presented to elite Daimler Trucks suppliers in North America who are top performers in relation to quality, delivery, technology and cost performance.

In the letter from Daimler's top executives announcing the award, they mention that the efforts of every employee in the company and the consistency of Blachford meeting and exceeding Daimler's strict guidelines and expectations are vital to the continued success of Daimler and their end-customers.

A formal presentation of the award has yet to be announced but will take place in the near future at the production facility in West Chicago, IL.

We are honored to receive this award and we are excited to build on our established relationship with Daimler by continuing to provide the highest quality products and service.

About Blachford Inc.

Blachford Inc. is a business unit of the Blachford Acoustics Group, a leading manufacturer of acoustical and thermal products. The facility in West Chicago is also home to the Blachford Acoustics Laboratory, which spearheads research and development for the Blachford Acoustics Group.
