Blachford Acoustics Group Wins Wellness Award for 2nd Year in a Row

Blachford Acoustics Group has been named one of the Nation's Best and Brightest in Wellness for the 2nd year in a row. Blachford offers various programs that encourage employees to participate in different wellness activities to promote a healthy lifestyle and well-being. With an on-site employee fitness center, annual health screenings and reimbursement programs for wellness activities, Blachford strives to uphold an active, healthy working environment.

The award from The National Association for Business Resources (NABR) is presented to companies that have demonstrated exceptional commitment to promoting employee wellness and creating a healthy work environment. Entries are heavily scrutinized with a unique scoring system to evaluate wellness program effectiveness.

The press release goes on to state that "Winning the Best and Brightest in Wellness award is a testament to their commitment to creating a supportive and healthy workplace culture. These companies are setting a high standard for wellness initiatives and truly making a positive impact on their employees' lives."

Blachford's wellness committee helps keep our employees active and accountable. Blachford believes that a healthy workplace culture starts by its definition, which includes physical, mental/emotional, and financial health. We strive to provide a holistic approach to a healthy culture that empowers our employees with confidence to bring their whole self to work and leave work being even healthier than they came

Blachford's Wellness Mission Statement is below:

"To educate, support and empower employees and their families to improve and maintain their overall health and well-being through healthy lifestyle choices and to create a culture of wellness throughout the organization."
